## Description

A good pair of C19 th walnut bedside cabinets with Carrara marble tops and shelf. A useful open walnut shelf towards the feet of the cabinets too. Brass detail on the doors, the unusual design of the legs and ankles, the curve of each corner, the handle holes each side all make for a very understated pair of bedside cabinets packed full with little details that heighten the quality which brings a contemporary feel to these pieces. Great proportion too. Missing one rosette in the handle of one cabinet. Generous proportions
