

A large C20 th burr elm dining table

£6,600

REF: 790

Height: 74.65 cm (29.4")

Diameter: 182.81 cm (72")

Description

A large C20 th burr elm dining table with a wide cross banding in coromandel around the diameter of the table top. The top slots onto the base and secured by iron pegs so is removable. The base is a tri form (3 legged) with original castors. Most probably designed by William Tilman.
