

C19th Chinese Lacquered Centre Table

Sold

REF: 540

Height: 78.71 cm (31")

Diameter: 134.57 cm (53")

Description

Nineteenth Century Chinese lacquered centre table. Very unusual in its design. The carved with bamboo top is supported by three individually carved Chinese figures holding the top of the table aloft on their hands. There is also a heavily carved apron to the table in between each figure and a decoratively carved stretcher below too. £POA
